Highlights

Daili team is based on young and powerful movement. We draw inspiration from day life to craft simple but attractive designs. Clear, paper inspired origami shapes, simply cuts, and wavy unique details. Exclusiveness lies in our pure, minimalistic, Nordic-European-like concepts. Mix of casual looks and ready-to-wear-street-style outfits. Our person is a young woman, who wants to feel unforgettable. The collection „Cityscape“ is created especially for 2015 summer, and is inspired by City view, resort, waves, and sailor stripes.

Our product is high quality clothes, printed leggings, dresses, blouses, origami inspired printed bottom duffle bags. Every piece is made to perfection from the best quality materials.

A woman with blonde hair tied in pigtails with black bows is seen from behind. She is wearing a white short-sleeved blouse with black raglan sleeves and light grey leggings with a black city skyline graphic at the ankles. She is standing on a light-colored tiled floor in front of a large window with a wooden frame. The window looks out onto a green, hilly landscape. The scene is brightly lit with natural light.
